

Acorn's Pro Bono Initiative

Positively Impact Racial & Social Injustice

As a minority, woman-led organization, Acorn is proud to partner with Relativity's Justice for Change program.

500GB | 10 Users | \$0

How it Works

- > Organizations, including current Relativity customers, doing **legal work on behalf of racial justice** can apply for free use of Relativity's cloud-based e-discovery product, RelativityOne. This program gives organizations access to the same tools that legal leaders around the globe utilize to organize data, search documents and build out case narratives..
- > Projects that are selected as part of the program can use up to **500GB and 10 users for 24 months at no charge.**
- > Acorn Legal Solutions will partner with you to provide access to RelativityOne, as well as administrative and project management support.

What is RelativityOne?

- Relativity's SaaS product that manages large volumes of data and quickly identifies key issues during litigation and internal investigations.
- RelativityOne is the industry's most powerful and secure eDiscovery platform, backed by our team of industry leading expertise. Acorn offers quick training using RelativityOne, to familiarize yourself with the web-based program, which we recommend.
- Built on Microsoft Azure, which meets more than 90 international and industry-specific compliance standards, such as ISO 27001; SOC 2, Type II; HIPAA; and FedRAMP.
